💼 WORK EXPERIENCE

Feil, Feil, and Feil Manila INC
Flutter Developer Intern
01/2023 – 05/2023 | Makati City, Philippines
- I took FFUF's bootcamp in developing Mobile Applications with Dart and Flutter.
- I've developed 3-7 Mobile Test Applications to enhance our hands-on coding with Flutter. I learned how to properly use Flutter's state management and element layouts.
- After bootcamp, I was assigned to handle the responsiveness of one of FFUF's Flutter Web Project called "Markilux".

Freelance
UI/UX Designer
06/2023 – 09/2023 | Baguio City, Philippines
- Using Adobe XD, I designed a low-fidelity wireframe for Virtual Assistant and Online Jobs Website and made sure that all the widgets, components, and elements are in the right position.
- After doing the wireframes, I applied a sleek high-fidelity UI design for the websites using Figma. I made sure that the designs are trendy, modern, and user-friendly.
